## Cape Cod Wainscot

S4S [1-1/4 x 1-1/2]

7019 Modified [5/8 x 1-1/2]

S4S [3/4 x 13]

2087 Modified [3/4 x 4]

5103 [3/8 x 7/8]

Cape Cod style wainscoting comes in several varieties, but typically features flat panelling or narrow vertical wooden panels, usually beadboard, that cover the lower portion of walls.

The wainscot is typically painted white or a pale color, and it is often paired with simple, clean-lined adornments.

## Cape Cod Casing

7019 [1-5/16 x 1-1/2]

2054 Modified [3/4 x 3-1/8]

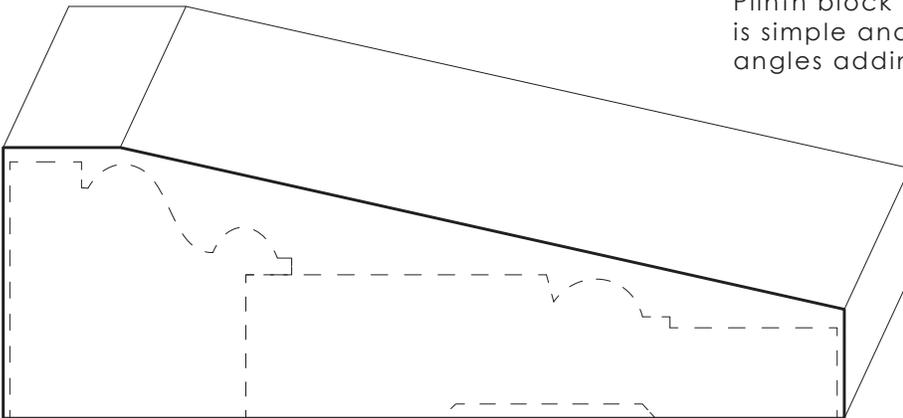

Door and window casing inside of Cape Cod homes features little ornamentation aside from bead and quirk. The design of the casing is often quite basic, with a narrow, rectangular profile and simple corner blocks. Cape Cod casing can be painted white, another light color, or stained to match woodwork in the home.

## Cape Cod Plinth Block

8545 [1-7/16 x 4-3/8]

Plinth block found inside of Cape Cod style homes is simple and geometric, with planed surfaces and angles adding depth without ornamentation.
